

1. Attachment feature does not work properly

- When a picture is uploaded... it does not show that it is uploaded
- You do not know it is uploaded unless you press enter
-

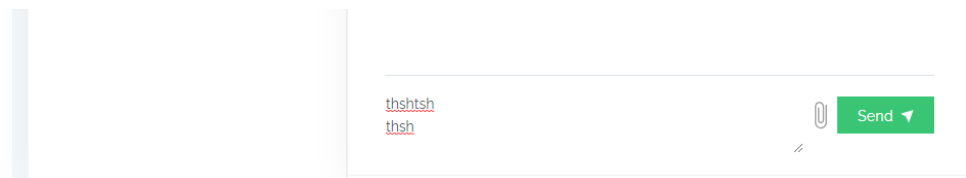

Updated

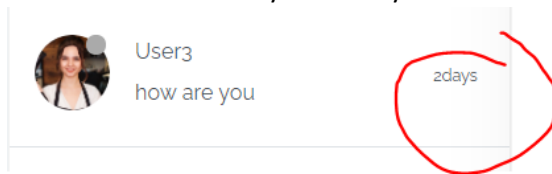

2. Need option to add spaces to the message

- By pressing Shift and Enter
- Let me know if you have any questions on what I mean about this.

Updated

3. Update Format from 2days to: 2 days

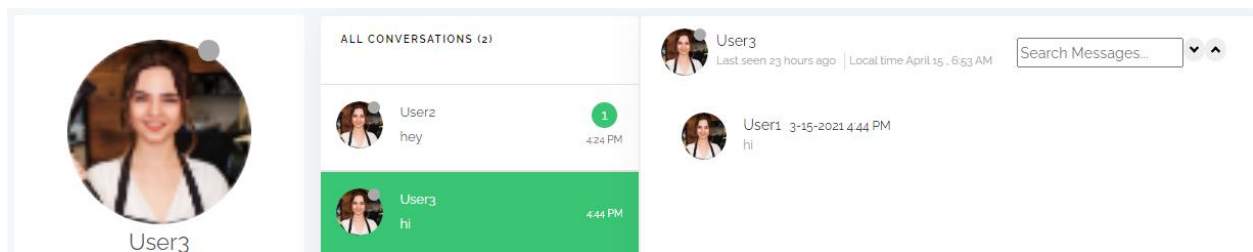

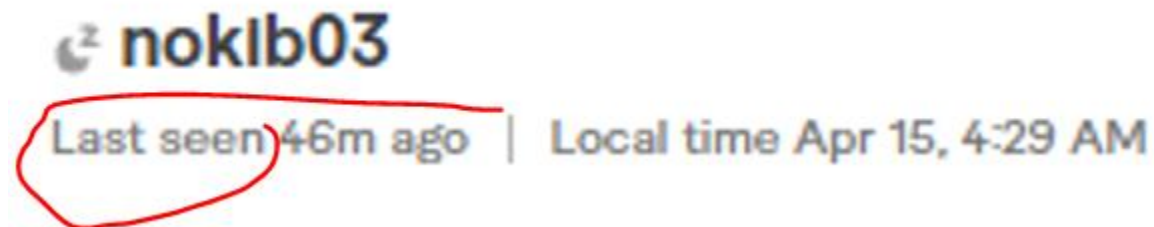

It has been updated

4. Update wording and spacing from ALL CONVERSATION(2) to: ALL CONVERSATIONS (2)

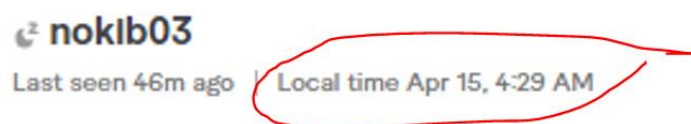

ALL CONVERSATION(2)

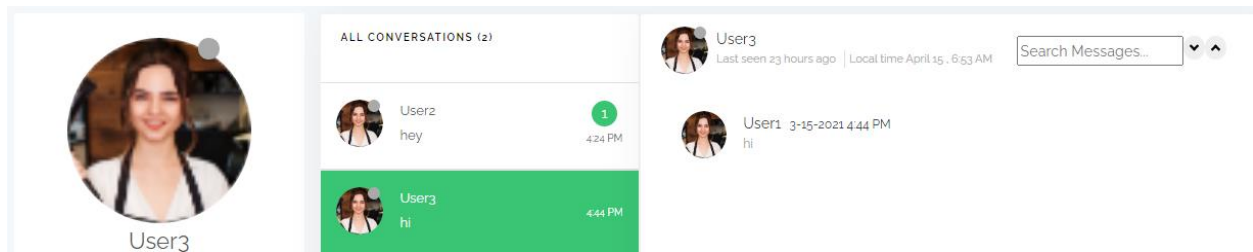

It has been updated

5. Add: Last Seen

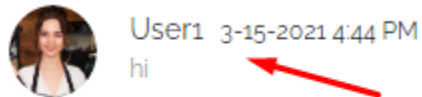

6. Need to add Date and Local time to this as well

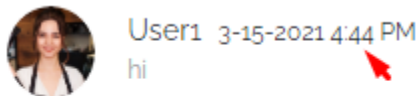

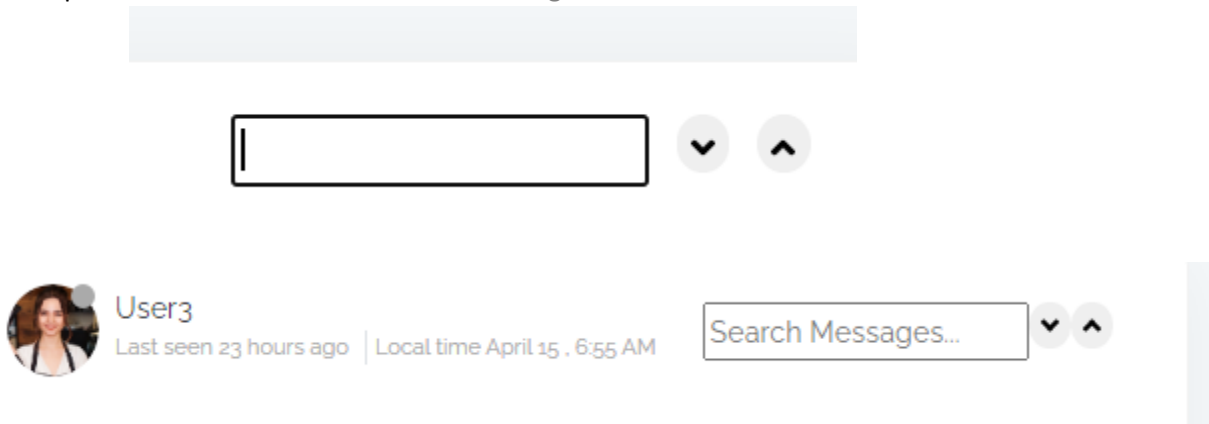

7. Update the date format to: month date year

hi

Date Issue

Date is not showing correctly due firebase time and our time but we are working on it.
